SIR:

Petition to Withdraw the Examiner's Holding of Abandonment

Applicants hereby request withdrawal of the holding of abandonment of the above-identified re-issue application.

Applicants' complete response to the Examiner's Office action of October 3, 1997 was mailed in a timely manner, and was received by the United States Patent & Trademark Office (USPTO).

~~In support of their assertion that a timely and complete response was~~
filed, applicants are submitting herewith a copy of their (a) response to the October 3, 1997 Office action, (b) accompanying transmittal letter, (c) Petition for Extension of time of one month, and (d) returned postcard bearing a date stamp acknowledging that the USPTO received applicants' response on January 29, 1998.

Moreover, Donald P. Dinella, who is an attorney (Reg. No. 39,961) employed by the Patent Dept. of Lucent Technologies Inc., reviewed the case folder for this application on October 20, 1998 and noticed that the case folder did not contain an Examiner's response to applicants' response of January 29,

Serial No. 08\285,363

1998. At that point, Mr. Dinella attempted to contact the Examiner by telephone to inquire about the status of the case, and left a voice message for the Examiner when the telephone call was not answered. The Examiner did not return Mr. Dinella's telephone call.

Applicants' representatives subsequently received the Notice of Abandonment (Paper No. 20, dated December 17, 1998) on December 20, 1998. However, due to an administrative error, the Notice of abandonment was inadvertently misfiled in the case folder, and was only recently discovered and brought to Mr. Dinella's attention, which prompted applicants' representatives to file this Petition immediately.

The foregoing as well as the accompanying documents indicate that applicants did not intend to abandon their application, and filed a timely response that was received by the USPTO.

Accordingly, withdrawal of the Holding of Abandonment of December 17, 1998 and continued prosecution of this application are respectfully requested.

In the event of a required fee, the Commissioner is authorized to charge Lucent technologies Inc. Deposit Account No. 12-2325 as required to correct the error,

Respectfully submitted,
